

1.1 Cookies

The cookie is a small text file, which is stored on your computer (hereinafter “Cookie(s)”). We use Cookies strictly necessary for technical purposes and to enable you to use the wizzair.com website (hereinafter: “Website”). This may be used later on to customize the Website based on the user’s choice and interests.

When you visit or sign in on our Website, the system sends session cookies between your device and the server in order to gather, store or access information. We do not store session cookies; they are deleted when you close the Website or when you sign out. For more information about the operation of the Cookies, please visit the following webpage: www.allaboutcookies.org.

1.2 You can restrict or block Cookies by changing your browser or your preferences on our Website. You can also delete previously stored Cookies through your browser. Further information can be found on the support pages of your browser. Please note that certain features and functions of the Website require Cookies and may not operate properly if Cookies are deleted or rejected.

1.3.1 **Strictly Necessary Cookies;** Cookies or settings strictly necessary for the operation of the Website: without essential Cookies the Website will not operate at all or as intended, and these Cookies are necessary to run the Website or to save settings you have made on the Website. These Cookies may only apply to operations such as language, text size and privacy preferences. These Cookies cannot be disabled, and they are usually set based on your permission on the Website. If you block these Cookies as a user, the Website will not operate properly. We use necessary Cookies in line with Article 6(1)(f) of the GDPR, and Section 13/A(3) of Act CVIII of 2001 on electronic commerce, in order to provide service.

We use the following essential Cookies:

Name	Stored data	Purpose	Cookie category	Expiry
ARRAffinity	User page requests	This Cookie is set by websites run on the Windows Azure cloud platform. It is used for load balancing to make sure the visitor page requests are routed to the same server in any browsing session.	Third party	At the end of the session
ASP.NET_SessionId	User session identification	General purpose platform session Cookie, used by sites written with Microsoft .NET based technologies. Usually used to maintain an anonymized user session by the server.	First party	At the end of the session
__cfduid	IP address	Cookie associated with sites using	Third party	At the end of the session

		CloudFlare, used to speed up page load times. It is used to override any security restrictions based on the IP address the visitor is coming from. It does not contain any user identification information.		
__cfb	User identification data	This Cookie is used by Cloudflare for load balancing.	First party	At the end of the session
JSESSIONID	Name, value, expiration time, path and domain	Preserves users states across page requests.	First party	At the end of the session
OptanonConsent	Provided cookie consent	This Cookie is set by the cookie compliance solution from OneTrust. It stores information about the categories of Cookies the site uses and whether visitors have given or withdrawn consent for the use of each category. This enables site owners to prevent Cookies in each category from being set in the users browser, when consent is not given. It contains no information that can identify the site visitor.	First party	12 months
RequestVerificationToken	Unique ID	This Cookie is an anti-forgery token to prevent CSRF attacks.	First party	At the end of the session
DAPROPS	User behavior on the website	This Cookie is used for analytical purposes to improve the service.	First party	At the end of the session

1.3.2 **Performance Cookies:** we use Cookies to track your browser’s behavior in order to improve our services and see how you move around the Website. We may use Performance Cookies based on your consent in line with GDPR Article 6(1)(a) and Section 13/A(4) of Act CVIII of 2001 on electronic commerce.

You can withdraw your consent at any time. The withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal.

We use the following Performance Cookies:

Name	Stored data	Purpose	Cookie category	Expiry
ADRUM	IP address	AppDynamics browser performance management tool uses this Cookie to collect web performance data and IP addresses.	First party	At the end of the session
ADRUM_BT1	Errors received by users while browsing the website	This Cookie is used to detect errors on the Website - this information is sent to the Website's support staff in order to optimize the visitor's experience on the Website.	Third party	At the end of the session
ADRUM_BTa	Errors received by users while browsing the website	This Cookie is used to detect errors on the Website - this information is sent to the Website's support staff in order to optimize the visitor's experience on the Website.	Third party	At the end of the session
ADRUM_BTs	Errors received by users while browsing the website	This Cookie is used to detect errors on the Website - this information is sent to the Website's support staff in order to optimize the visitor's experience on the Website.	Third party	At the end of the session
CONNECTIONID	Username	This Cookie is used to identify individual users on the Website.	Third party	At the end of the session
essentials_visitor	Unique ID	This cookie is used to store a unique Id allowing us to report on progression through the Website.	Third party	At the end of the session
RT	Page loading time in user's	The roundtrip (RT) Boomerang Cookie is used by Akamai to	Third party	At the end of the session

	web browser	measure page load time and/or other timers associated with the page.

1.3.3 Targeting Cookies: Targeting Cookies are used to track your activities or gather information from you on your device to display advertisements to you based on relevant topics that interest you. The legal basis of the data processing is your consent based on GDPR Article 6(1)(a) and Section 13/A(4) of Act CVIII of 2001 on electronic commerce, which you provide through the pop-up banner on the Website. You can withdraw your consent at any time. The withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal. In case of withdrawal, we will not get any data concerning browsing.

We use the following Targeting Cookies:

Name	Stored data	Purpose	Cookie category	Expiry
_gcl_au	Browsing behaviour	Used by Google AdSense for experimenting with advertisement efficiency across websites using their services	Third party	3 months
_pxhd	User's actions and clicks on the website	This Cookie is set by Booking.com and collects information to optimize the relevance of advertisement on the Website.	Third party	3 months
bkng	User ID	The Cookie is set by Booking.com and store ID's of experiments and sessions for testing.	Third party	1 month
CONSENT	User browsing history	This Cookie carries out information about how the end user uses the website and any advertising that the end user may have seen before visiting the said website.	Third party	1 month
cors_js	User's browser response time	This Cookie is used by Booking.com to provide load balancing functionality.	Third party	1 month
VISITOR_INFO1_LIVE	User's bandwidth data	Tries to estimate the users' bandwidth on pages with integrated YouTube videos.	Third party	At the end of the session
YSC	User's actions and clicks on the website	Registers a unique ID to keep statistics of what videos from	Third party	At the end of the session

		YouTube the user has seen.		
--	--	----------------------------	--	--

1.3.4 **Functional Cookies:** we use these Cookies to allow our Website to remember your site preferences and choices you make, (like username, language etc.) in order to provide you personalized features. We may use Functional Cookies based on your consent in line with GDPR Article 6(1)(a) and Section 13/A(4) of Act CVIII of 2001 on electronic commerce.

We use the following Functional Cookies:

Name	Stored data	Purpose	Cookie category	Expiry
search	User search functionalities	This Cookie is used for providing search functionalities on the Website.	Third party	At the end of the session
tj_conf	Currency and language preference, country of origin.	This Cookie stores language, cor & currency preference	Third party	At the end of the session
tj_pe_exp	User functional data	This Cookie is used by RentalCars to provide functional data relative to Website services.	Third party	At the end of the session
tj_protocol	User connection security	This Cookie is used by RentalCars to track connection schema (http or https).	Third party	At the end of the session
tjex	Experiment's name and variants	This Cookie stores an encoded string, which contains RentalCar's cookie experiment's name and variants.	Third party	30 days
tjex_infra	Experiment's name and variants	This Cookie stores an encoded string, which contains RentalCar's cookie experiment's name and variants.	Third party	30 days
tj_seed	User web request	This Cookie stores the HttpServletRequest and HttpServletResponse as thread local variables and the Website uses it to access information about the request to service the customer's web request.	Third party	At the end of the session
tj_track	User referral website	This Cookie is set by RentalCars when a user clicks an affiliate referral link. Used to attribute commission to the correct affiliate partner, by indicating which website the user was referred from.	Third party	At the end of the session

1.4 If you do not want to accept Cookies, you may change your browser settings or your preferences on our Website to automatically decline Cookies or notify you in case the Website intends to store cookies on your computer. You also may delete previously stored Cookies through your web browser settings. Further information can be found on the support pages of your web browser. Please note that certain features and functions of the Website require Cookies and may not operate properly if Cookies are deleted or rejected.

1.5 For further information regarding Cookies used at the website please contact us at our electronic contact details at: <https://wizzair.com/en-gb/information-and-services/contact/contact-us>
