

**Rules of the
#WizzAir100MillionUK promotional game**

I. Organiser and operator of the Game

The organiser of the #WizzAir100MillionUK promotional game – hereinafter: **"Promotional game"** or **"Game"** – is **WIZZ Air Hungary Zrt.** (registered seat: 1095 Budapest, Lechner Ödön fasor 6., company reg. number: 01-10-140174, tax number: 26648525-2-44) – hereinafter: **"Organiser"** / **"WIZZ Air"** and **"Controller"** –, who entrusted **an agent**. – hereinafter: **"Agent"** and **"Processor"** – with the full implementation of the Game.

II. Condition on participating in the Promotional game

- 1.) Those natural persons can participate in the Game who:
- a) have reached the age of 18 and have full capacity to act,
 - b) have their own public Instagram profile dedicated to their name,
 - c) post an image or Instagram reel on their Instagram profile with the #WizzAir100MillionUK hashtag during the Game under these Game Rules and tag the @wizzair page,
 - d) talk in the Instagram Reels video about travelling or flying with Wizz Air, or, if posting an image, creates content that tags a location to which Wizz Air flies, and against whom there is no reason for exclusion from the Game.

We draw the attention of the Players to the fact that the conditions defined in paragraph II.1.) are conjunctive conditions, which means that all conditions must be fully met.

- 2.) Those persons – who otherwise meet the other conditions of participation – may not participate in, and can be excluded from the Game, who:
- a) are owners, members, executive officers, employees of the Organiser or Agent, and/or relatives or close relatives of these persons under Section 8:1 of Act V of 2013 on the Civil Code (Ptk.); or
 - b) who participate or participated in the Game in a demonstrably fraudulent, illegal, and/or unethical manner (e.g., Players who do not participate with their own Instagram profile when applying for the Game or who have not reached the age of 18).

3.) Players who do not meet the conditions set out in these Game Rules will be disqualified. The Organiser or the Agent is not obliged to notify the excluded Player about his/her exclusion from the Game.

4.) By participating in the Game – i.e., by creating and publishing the Instagram Reels video marked with the #WizzAir100MillionUK hashtag – the Player simultaneously acknowledges to unconditionally accept the terms of participation set out in these Game Rules, and by creating and publishing the Instagram Reels video, s/he also represents and warrants that s/he is an adult above the age of 18 with the full capacity to act, is authorised to share the Instagram Reels video, and is solely and unlimitedly responsible for its content. Players who do not accept the conditions of these Game Rules with regard to any of its provisions, do not comply with them, and/or raise an objection in relation to them will be excluded from the Game. The Organiser and the Agent exclude any liability for the content published by the Player.

5.) By applying for this Game and by creating and publishing the Instagram Reels video or image, the Player represents and warrants that if another natural person also appears in the Instagram Reels video or image, the Player has the consent of this natural person (in the case of a minor, the consent of the parent(s) or guardian(s) with parental rights) that is necessary for recording and using the video. If a third party asserts any claim against the Organiser or the Agent in relation to the Instagram Reels video, the Player is obliged to assume full liability and fully exempt and indemnify the Organiser and the Agent from these claims.

III. The course of the Promotional Game

1.) The Player must create and publish an Instagram Reels video or image on his/her Instagram profile during the Game, in which s/he places the #WizzAir100MillionUK hashtag and tags the @wizzair page. In the Instagram Reels video, the Player must talk about travelling and flying with Wizz Air, or if posting an image, tags a location to which Wizz Air flies.

We draw the Players' attention to the fact that participation in the Game does not require the Player to purchase a flight ticket in advance or to be on a Wizz Air flight. If the Player makes the Instagram Reels video or takes an image/picture on one of Wizz Air's planes and/or at the airport, the Player acknowledges that s/he purchased his/her air ticket outside of this Game of his/her own free will. These Game Rules do not prescribe such a requirement for the Player.

2.) The Player is solely responsible for the content of the created Instagram Reels video or image, but we draw the attention to the fact that if the content conflicts with any of the prohibitive provisions below, it will also result in exclusion from the Game and the Organiser and the Agent especially distance themselves from this content. They may request its deletion from the Player, and the Player is obliged to delete it upon such a request.

- The inclusion of other brands and products in the Instagram Reels video or image is prohibited;
- Wizz Air must be mentioned in the Instagram Reels video clearly and in an easy-to-understand manner;
- The content of the Instagram Reels video or image, and the associated text, image, and music may not conflict with the law.
- It is forbidden to make and share Instagram Reels videos or images that are tasteless and/or damage or endanger public morals and/or the good reputation of the Organiser and/or the Agent.
- Instagram Reels videos or images are prohibited from depicting nudity, displaying pornographic or sexual content, using profanity, and/or displaying any offensive content.
- Creating and/or sharing obscene, aggressive, and/or threatening content is prohibited.
- It is forbidden to display content related to politics, religion, and/or gender in the post.
- The Instagram Reels video or image must be the Player's own intellectual property. The Player must be authorised to create and post the Instagram Reels video or image.
- The Instagram Reels video or image may not infringe on the rights of the Organiser, the Agent, and/or any other third party.

- It is forbidden to depict smoking or alcohol in the Instagram Reels video or image.
- In the Instagram Reels video or image, it is not permitted to compare the service of Wizz Air with other airlines and their services.

3.) After the end of the Game, the Agent selects the winners and reserve winners – in the presence of the three-member committee – by drawing lots under the provisions of these Game Rules.

4.) Players are hereby informed that uploading several Instagram Reels videos does not increase their chances of winning.

IV. Duration of the Promotional Game

The Promotional Game lasts from 10:00 am CET, 27 November 2024 to 11:59 pm CET, 4 December 2024.

V. Prizes that can be won in the Game

1.) A total of 10 vouchers will be drawn at the gross value of GBP 100 /person in WIZZ credits.

Voucher: can be used for buying Wizz Air tickets until 31 December 2025. Please note that the voucher can only be used once per booking, can be used for purchasing air tickets for a maximum of 10 people in total, and only one occasion (i.e., it can only be used once). For any further information on the use of the voucher, please contact the Organiser (communications@wizzair.com) or the Agent (wizzair@threesixty.uk) by e-mail.

2.) The Organiser reserves the right to unilaterally change the prize to another prize of the same value as the original prize at any time.

3.) The Organiser will send the prize to the winner online via the Agent – if the winner sends his/her e-mail address in an Instagram message.

4.) The Organiser covers any public charges directly related to the prize instead of the winner; however, the winner must cover all costs incurred in connection with personal collection, e.g. public transport fee, fuel cost, etc.

5.) The Agent/Organiser does not award any other prizes or provide any additional services other than the prizes specified in paragraph V.1.).

6.) The prize cannot be exchanged for cash or any other property or right and cannot be put into commercial circulation (i.e., it cannot be re-sold or given to another person). Any risks associated with the use of the prize are fully assumed by the winner. The Organiser/Agent is not responsible for material damage to the property of the winner or any personal bodily injury or death resulting from the use of the prize.

VI. Selecting the winners and reserve winners

1.) The date of selecting the winners (10 people): 5 December 2024, with the provision that the winners' names / Instagram names are announced in an Instagram Story on Wizz Air's official Instagram page on 13 December 2024.

2.) The place of selecting the winners is the registered seat of the Agent.

3.) The winners are selected by a three-member committee delegated by the Organiser by drawing lots with a computer programme based on the principle of random number generation. Drawing lots is not open to the public.

4.) The Organiser will draw 10 winners and 10 reserve winners. The reserve winners can take the place of the drawn winners in the order of their draw if the winners do not reply within 5 working days from the information published about the winners in Wizz Air's Instagram post (where the winners will be tagged), the winners do not give to the Agent their e-mail address required for delivering the prize if the prize is handed over online, if they decide to receive the prize personally but fail to do so at the time agreed with the Agent (but no later than until 31 December 2024), or it turns out after the draw that the winner participated in the Game fraudulently in violation of the Game Rules. In these cases, the winners forfeit their right to the prize and will be replaced by the 1st reserve winner in the drawing order. If the 1st reserve winner does not fulfil the winners' above obligations either, the 2nd reserve winner in the order becomes the winner and so on. If the reserve winners run out, the prize remains with the Organiser.

5.) If it turns out that, after making the drawing results public, that the Instagram Reels video or the winner does not meet any of the requirements set out in these Game Rules or violates any rule, the winner will forfeit his/her right to the prize and will be replaced by the next reserve winner unless the prize has already been handed over to the winner. If the prize has already been handed over to the winner, the reserve winner will not take the place of the winner even if the winner lost his/her right to the prize but this was discovered only after the prize was already handed over.

VII. Receiving the prize

1.) The Agent will contact the winners by informing the winners in an Instagram message after the selection and asking the winners to contact the Agent. The winners must reply within 5 working days in an Instagram message and must specify whether they wish to receive the prize online or personally, at a time agreed with the Agent in advance. If the winners request the prize to be sent online, they must provide their name and e-mail address. In the case of personal collection, the handover of the prize is documented in a receipt or in a handover-acceptance report. The date of collection will be agreed by the Agent and the winner in advance.

2.) The Organiser and the Agent are not responsible and exclude all liability, especially for any delivery error or damage caused by the fault of any service provider used for the delivery of the prize or notification related to the prize as well as for any damage, loss, and/or destruction of the prize during delivery.

VIII. Rules on processing personal data

1.) By signing up for the Game, i.e., by creating and uploading the Instagram Reels video, the Player:

- a) acknowledges and accepts all terms and conditions contained in these Game Rules;

- b) as well as in knowledge of his/her rights contained in these Game Rules and in the Privacy Policy, which is an inseparable annex hereto, voluntarily and duly informed, expressly consents to having his/her personal data processed by the Organiser/Agent under the provisions of the Privacy Policy; and
- c) acknowledges that s/he can withdraw his/her consent at any time, but the withdrawal of consent does not affect the legality of processing his/her personal data before the withdrawal.

2.) Detailed information on the processing of personal data provided by the Players to the Organiser/Agent is provided in annex 1 of the Privacy Policy attached hereto as an inseparable annex to these Game Rules, which is available at <https://wizzair.com/en-gb/legal/privacy-notice>. We request and advise the Players to read this document as well.

IX. Miscellaneous provisions

1.) By participating in the Game, the Player accepts the provisions of these Game Rules without any further possible legal action and waives the possibility of using any legal remedy against the Organiser/Agent in connection with conducting the Game as well as with the prize and the winners.

2.) The Organiser/Agent informs the Players that upon conducting the Game, it is possible to check the winner's age only and exclusively when the prize is handed over in person. When conducting the Game, the Organiser/Agent can ensure only and exclusively by checking the winner's Instagram profile that the Player has presumably reached the age of 18. If this cannot be clearly identified from the Instagram profile or if it can be identified that the Player presumably has not reached the age of 18, the Player is excluded from the Game without reason, and in such a case, the winner will be replaced by the reserve winner.

3.) The Organiser/Agent assumes no responsibility for any quality defect or error of the prize.

4.) The Organiser/Agent reserves the right to immediately exclude anyone from the Game without reason and to request deletion of the Instagram Reels video or image in the event of manipulation, irregularity, abuse, and/or any suspicion of these and/or any violation to its reputation and/or business/economic interests.

5.) If the Organiser/Agent has a reason to assume that any Player does not respect the provisions of these Game Rules or does not comply with them, or if any participant is suspected of any abuse or violation of the terms of the Game, or if any participant manipulates the course of the Game in any way or acts in bad faith, in that case the Organiser/Agent will immediately exclude such a Player from the Game without any further notice. Any decision of the Organiser/Agent regarding the Game is final and binding in all respects, and no legal proceedings may be initiated in relation to them.

6.) The Organiser/Agent excludes the possibility of any Player asserting legal claims against the Organiser or the Agent under any legal title arising from this Game and the Player irrevocably agrees that it is precluded from asserting any legal claims arising from this Game.

7.) The Organiser draws the Players' attention to the fact that the business rules of its Internet service provider and the rules of Instagram (Meta) on the use of the Instagram platform are applicable to the Players without any change. The platform rules of Instagram (Meta) are available by clicking on the following link: <https://hu-hu.facebook.com/help/instagram/325135857663734>.

8.) The Organiser informs the Players that this promotion is not supported, approved, or carried out by Instagram (Meta) and that the promotion is not related to Instagram (Meta).

9.) The Player acknowledges that the speed of message and data transmission and response depends on the technical conditions of the server, therefore neither the Organiser nor the Agent assumes responsibility. This may be adversely affected by network load and other factors beyond the control of the Organiser, the Agent, and/or their service providers, including without limitation network congestion, coverage, connection errors, device performance, and/or maintaining a secure network connection. The Organiser and the Agent exclude any responsibility for any external attacks on Instagram or the server that manages it or any other malfunctions. If the Players receive incorrect (system) messages as a result of an attack on the server of the Organiser/Agent, the liability of the Organiser or the Agent is excluded in these cases.

10.) This Promotional game is governed by Hungarian law.

11.) The Organiser/Agent reserves the right to unilaterally modify or change these Game Rules, including stopping, suspending, and/or terminating the Game at any time.
