Actions to be taken by shareholders

Although we would like as many shareholders as possible to attend our AGM, I do appreciate that this is not always possible. However, even if you are not able to come to the AGM in person your vote is still important. I would therefore encourage you, regardless of the number of shares you own, to complete, sign and return the accompanying Form of Proxy to the Company's Registrar, Computershare Investor Services (Jersey) Limited at c/o The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom as soon as possible but, in any event, by no later than midday (BST) on 22 July 2019. Alternatively, you may also register your proxy appointment(s) and voting instructions electronically or through the CREST electronic proxy appointment service if you are a CREST member. Please refer to pages 6 to 7 of this document for further details of how to appoint a proxy or proxies. Registration of a proxy appointment will not prevent you from attending and voting at the AGM if you so wish.

Recommendation

The Board is unanimously of the opinion that all the resolutions set out in the Notice to be put to the AGM are in the best interests of the Company and its shareholders as a whole and therefore recommends that shareholders vote in favour of each of the resolutions, as the directors intend to do in respect of their own beneficial holdings.

Queries

The AGM provides an opportunity for you to ask questions about the business set out in the Notice and to raise other matters about the business of the Company. I will endeavour to ensure that discussions are kept relevant and that as many shareholders as possible have the opportunity to speak.

I hope that you will be able to attend our AGM and I look forward to seeing as many of you as possible.

Yours sincerely,

EXPLANATORY NOTES TO THE NOTICE OF AGM

Right to attend and vote

1. Only shareholders whose names appear on the register of members or Separate Register (as defined in the Articles) of the Company at 1.00 p.m. (CEST) on 22 July 2019 (the “**Specified Time**”) (or, if the AGM is adjourned, on the register of members of the Company 48 hours before the time of the adjourned meeting, excluding any day which is not a working day) shall be entitled to attend and/or vote at the AGM in respect of the number of shares registered in their name at such time. Subsequent changes to entries on the register of members after the Specified Time shall be disregarded in determining the rights of any person to attend or vote at the AGM.
2. All resolutions at the AGM will be decided by a poll rather than a show of hands. This means that each shareholder has one vote for every share held. The Company believes that this is a more transparent and equitable method of voting, as shareholders are counted according to the number of shares held ensuring an exact and definitive result.
3. The Company has also included on the Form of Proxy a “Vote Withheld” option in order for shareholders to abstain on any particular resolution. However, it should be noted that a “Vote Withheld” is not a vote in law and will not be counted in the calculation of the proportion of votes “For” or “Against” the particular resolution.

Appointment of proxies

General

4. A shareholder who is entitled to attend and vote at the AGM may appoint one or more proxies to attend, speak and vote instead of him or her. A shareholder may appoint more than one proxy to attend the AGM. A proxy need not be a member of the Company. Completion and return of a Form of Proxy will not prevent shareholders from attending and voting in person should they wish to do so. If two or more valid proxy appointments are received in respect of the same ordinary share for use at the AGM, the one which is last delivered or received shall be treated as replacing or revoking the others as regards that share, provided that if the Company determines that it has insufficient evidence to decide whether or not a proxy appointment is in respect of the same share, it shall be entitled to determine which proxy appointment (if any) is to be treated as valid.
5. To be a valid, an appointment of proxy, whether by means of an instrument or contained in an electronic form as stated at explanatory notes 6 and 7 below (together with any relevant power or authority) must be received (or, in the case of the appointment of a proxy through CREST, retrieved by enquiry to CREST in the manner prescribed by CREST) by Computershare not later than 48 hours before the time appointed for holding the AGM or any adjournment (excluding any day which is not a working day).

A proxy may be appointed in the following ways:

Printed Form of Proxy

6. To appoint a proxy, please fill in the Form of Proxy which accompanies this Notice and return it in accordance with the instructions printed on the form as soon as possible. To be valid, the instrument and the power of attorney or other authority (if any) under which it is signed, or a notarially-certified copy of such power or authority, must be received by the Company’s Registrar, Computershare Investor Services (Jersey) Limited at c/o The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom by no later than midday (BST) on 22 July 2019.

Electronic Form of Proxy

7. As an alternative to completing and returning the printed Form of Proxy which accompanies this Notice, a shareholder may register a proxy online by registering for the Computershare service at <https://www.eproxyappointment.com/Login>. Full details of the procedures are set out on the website. The Company will not accept an electronic communication that is found to contain a computer virus.

EXPLANATORY NOTES TO THE NOTICE OF AGM

Electronic proxy appointment through CREST

8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company’s agent (ID 3RA50) not later than 48 hours before the time appointed for the AGM or any adjourned meeting (excluding any day which is not a working day). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST application’s host) from which the Company’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.

Corporate representatives

12. Any corporation which is a shareholder of the Company may, by resolution of its directors or other governing body, authorise such persons as it thinks fit to act as its representative at the AGM. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual shareholder of the Company.

Nominated persons

13. Any person to whom this Notice is sent who is a person nominated to enjoy information rights in accordance with the provisions of the Articles (a “**Nominated Person**”) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. Alternatively, if a Nominated Person has no such right, or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the relevant shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 4 to 11 above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by the shareholders of the Company.

Voting rights

14. As at 30 May 2019 (being the last practicable business day prior to publication of this Notice), the Company’s issued ordinary share capital consisted of 72,787,170 ordinary shares carrying one vote each on a poll and the

EXPLANATORY NOTES TO THE NOTICE OF AGM

total number of votes exercisable at that date is the same number. At that date, the Company held no treasury shares.

Addresses

17. Addresses, including electronic addresses provided in this Notice, are provided solely for the purposes so specified. Shareholders may not use any electronic address provided in this Notice to communicate with the Company for any purpose other than those expressly stated herein.

Shareholders' statement

18. Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under the Articles, the Company may be required to publish on a website a statement setting out: (a) any matter relating to the audit of the Company's accounts or (b) any circumstances connected with an auditor of the Company ceasing to hold office. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with such publication requirement. Where the Company is required to place a statement on a website under the Articles, it must forward the statement to the Company's auditor no later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under the Articles to publish on a website.

EXPLANATORY NOTES TO THE RESOLUTIONS

Resolutions 1 to 5 (inclusive), 7, 9, 11, 12, 14, 16 and 18-21 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 22 and 23 are proposed as special resolutions. This means that for these resolutions to be passed at least three-quarters of the votes cast must be in favour of the resolutions. Resolutions 6, 8, 10, 13, 15 and 17 will only be voted on by Independent Shareholders as required by the Listing Rules.

For each of resolutions 21, 22 and 23, the calculations have been made on the basis of the issued ordinary share capital as at 30 May 2019, the latest practicable date prior to the publication of the Notice of the AGM, being 72,787,170 ordinary shares, and rounded down to the nearest whole £1 in nominal value.

The poll results will be notified to the Financial Conduct Authority and published on the Company's website as soon as possible after the conclusion of the AGM.

Resolution 1: Reports and accounts

The directors are required to present to the AGM the audited accounts and the directors' and auditor's reports for the financial year ended 31 March 2019.

Resolution 2: Directors' remuneration report

Consistent with the requirements applicable to UK listed companies incorporated in the UK, the Company is putting before shareholders in general meeting a resolution to approve the directors' remuneration report. The remuneration report for the financial year ended 31 March 2019 is set out on pages 54 to 68 of the annual report and accounts and includes details of the directors' remuneration for the year ended 31 March 2019. The Company's auditors, PricewaterhouseCoopers LLP, have audited those parts of the directors' remuneration report capable of being audited (marked as audited information).

The vote on the directors' remuneration report is advisory in nature in that payments made or promised to directors will not have to be repaid, reduced or withheld in the event that resolution 2 is not passed.

Resolutions 3-18: Re-election and election of directors

Under the UK Corporate Governance Code, there is a recommendation that all directors stand for annual re-election. Accordingly, all the directors offer themselves for re-election or election, proposed through separate resolutions 3 to 18.

In accordance with Listing Rule 9.2.2E(R) and the Articles, there will be an ordinary resolution and a separate resolution of Independent Shareholders in respect of the re-election of each of the Independent Directors (as defined in the Articles), being Guido Demuynck, Simon Duffy, Susan Hooper, Barry Eccleston, Peter Agnefjäll and Maria Kyriacou.

Peter Agnefjäll, Maria Kyriacou and Andrew S. Broderick joined the Board as Non-Executive Directors on 24 July 2018, 25 September 2018 and 16 April 2019, respectively. In accordance with the Articles, each of Peter Agnefjäll, Maria Kyriacou and Andrew S. Broderick shall hold office only until the AGM but will stand for election at the AGM to continue to be directors of the Company. As with the other Independent Directors, there will be an ordinary resolution and a separate resolution of Independent Shareholders in respect of the election of Peter Agnefjäll and Maria Kyriacou.

No Controlling Shareholder (as defined in the Articles) or associate of a Controlling Shareholder will be eligible to vote in respect of the Independent Shareholder resolutions. As at the date of this document, Indigo Hungary LP and Indigo Maple Hill, L.P. are the only Controlling Shareholders of the Company and are precluded from voting on the Independent Shareholder resolutions.

The Board has assessed each of the Independent Directors proposed for re-election or election and considers that they are independent as assessed against the circumstances set out in Provision 10 of the UK Corporate Governance Code.

EXPLANATORY NOTES TO THE RESOLUTIONS

The Board considers that each of the Independent Directors is independent in character and judgement and that there are no relationships or circumstances which are likely to affect, or could appear to affect, his or her judgement.

Save as set out below, none of the Independent Directors has any existing or previous relationship, transaction or arrangement with the Company, its advisers, directors or senior employees any Controlling Shareholder or any associate of a Controlling Shareholder:

- (a) Barry Eccleston retired as the chief executive officer of Airbus Americas, Inc. in February 2018. The Company has historically entered into purchase agreements with Airbus S.A.S. for the acquisition of Airbus A320 family aircraft but in negotiating these purchase agreements, the Company has not had any material business relationship with either Barry Eccleston or Airbus Americas, Inc.

Biographical details of each of the directors standing for re-election and election are set out on pages 12 to 14 of this Notice. The Board considers each director to be effective in their role and that they continue to demonstrate the level of commitment required in connection with their role on the Board and the needs of the business.

Resolutions 19 and 20: Re-appointment and remuneration of the auditors

The Company is required to appoint auditors at each general meeting at which accounts are presented to shareholders. Resolution 19 proposes the appointment of PricewaterhouseCoopers LLP as the Company's auditors until the conclusion of the next AGM. It is normal practice for a company's directors and/or audit committee to be authorised to determine the level of the auditors' remuneration for the ensuing year. Resolution 20 proposes to give such authority to the directors and/or audit committee.

Resolution 21: Authority to allot shares

The Company's directors may only allot shares or grant rights to subscribe for or convert any securities into shares if authorised to do so by shareholders. This resolution will give authority for the directors to allot shares or grant rights to subscribe for or convert any securities into shares in accordance with the Investment Association (the "IA") Guidelines and Article 20 of the Articles: (a) up to a maximum aggregate nominal amount of £2,426 (representing approximately one third of the total issued ordinary shares as at 30 May 2019, being the last practicable date before publication of this Notice) without restriction; and (b) the same amount again, but only in respect of a pre-emptive issue to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical restrictions).

In accordance with IA guidance, this authority shall expire at the conclusion of the Company's next AGM (or, if earlier, at the close of business on the date which is 15 months after the date of this resolution, being 24 October 2020). The directors have no present intention of exercising this authority other than in connection with the Company's employee share schemes. However, it is considered prudent to maintain the flexibility that this authority provides. The Company's directors intend to renew this authority annually. As at 30 May 2019, being the latest practicable date prior to the publication of this Notice, the Company does not hold any shares in treasury.

Resolutions 22 and 23: Disapplication of pre-emption rights

Pursuant to Article 25 of the Articles, if the directors wish to allot Equity Securities (as defined in the Articles) for cash, they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the directors need the flexibility to finance business opportunities by the issue or transfer of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Articles unless the shareholders have first waived their pre-emption rights. Resolutions 22 and 23 will therefore empower the directors to allot unissued Equity Securities, pursuant to the authority granted under resolution 21 above, for cash, without application of the pre-emption rights contained in Articles 25 to 28 of the Articles.

The purpose of resolution 22 is to empower the directors to allot new shares pursuant to the authority given by resolution 22, or sell treasury shares, for cash (i) in connection with a pre-emptive offer or rights issue or (ii) otherwise up to a nominal value of £363, being approximately 5% of the issued ordinary share capital of the Company as at 30

EXPLANATORY NOTES TO THE RESOLUTIONS

May 2019 (being the latest practicable date prior to the publication of this Notice), without the shares being offered to existing shareholders in proportion to their existing holdings.

The purpose of resolution 23 is to empower the directors to allot new shares pursuant to the authority given by resolution 22, or sell treasury shares, for cash up to a further nominal value of £363 being approximately 5% of the issued ordinary share capital of the Company as at 30 May 2019 (being the latest practicable date prior to the publication of this Notice), without the shares being offered to existing shareholders in proportion to their existing holdings, only in connection with an acquisition or specified capital investment (within the meaning given in the Pre-emption Group's 2015 Statement of Principles for the disapplication of pre-emption rights ("**Statement of Principles**")) which is announced at the same time as the allotment, or which has taken place in the preceding six month period and is disclosed in the announcement of that allotment.

The directors have no present intention of exercising these authorities other than in connection with the Company's employee share schemes. The directors do not intend to issue more than 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares (if any)) for cash on a non-pre-emptive basis in any rolling three-year period (other than in connection with an acquisition or specified capital investment as described in the Statement of Principles) without prior consultation with shareholders.

These authorities will expire at the conclusion of the next AGM of the Company or, if earlier, at the close of business on the date which is 15 months after the date of passing of these resolutions, being 24 October 2020.
