

MEDICAL CERTIFICATE: WEARING OF MOUTH-NOSE COVER

Hereby I confirm,

Name of Physician in capitals and stamp

that

First name, Family name

Date of birth

Cannot wear a mouth-nose cover / "Face mask" due to an underlining medical condition. Nevertheless, the person mentioned above is fit to fly.

This certificate is only valid with a negative COVID-19 test (PCR test). The negative test result must be dated and issued no more than 48 hours prior to flight departure. This applies to both the outbound and the return flights.

Place and date

Signature of the Physician
